

# Certificate of Conformity

|                                   |                                  |
|-----------------------------------|----------------------------------|
| <b>VWR Catalogue Number</b>       | See List                         |
| <b>Description</b>                | Disposable micro weighing dishes |
| <b>Country of Origin</b>          | Manufactured in Switzerland      |
| <b>Date of Issue (yyyy-mm-dd)</b> | 2022-05-30                       |

Round form

| Catalog Number | Capacity [mL] | Internal diameter x Height [mm] |
|----------------|---------------|---------------------------------|
| 611-1355       | 0.035         | 6 x 2.5                         |
| 611-1356       | 0.35          | 13 x 3.5                        |

Oval form

| Catalog Number | Capacity [mL] | W x D x H [mm]  |
|----------------|---------------|-----------------|
| 611-1357       | 0.04          | 6.5 x 3.5 x 2.5 |
| 611-1358       | 0.11          | 10 x 4 x 4.5    |
| 611-1361       | 0.12          | 12 x 2 x 4.5    |
| 611-1360       | 0.12          | 12 x 4 x 2.7    |
| 611-1359       | 1.12          | 25 x 7 x 7      |

## Quality System Compliance

Products are inspected and controlled through whole production processing in accordance with current applicable product specifications and QC SOP.

## QC Testing

Representative products samples are collected and inspected in accordance with current applicable QC requirements.

## Product Specifications

|                                |                                                                                                                                                                                                                                                                                                                                                             |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Material</b>                | Aluminium.                                                                                                                                                                                                                                                                                                                                                  |
| <b>Sterilization</b>           | Non-Sterile.                                                                                                                                                                                                                                                                                                                                                |
| <b>ATP Assay</b>               | Not Applicable.                                                                                                                                                                                                                                                                                                                                             |
| <b>DNase &amp; RNase Free</b>  | This product is free of any detectable DNase/RNase contamination.                                                                                                                                                                                                                                                                                           |
| <b>BSE/TSE</b>                 | No use of any raw material produced from or substances derived from animal origin. The manufacturing process of the product does not use any ingredient of animal origin and no material derived from or exposed to animals affected by or under quarantine for transmitting Animal Bovine Spongiform Encephalopathy/Spongiform Encephalopathy (BSE)/(TSE). |
| <b>Cytotoxicity</b>            | Not Applicable.                                                                                                                                                                                                                                                                                                                                             |
| <b>Non-Pyrogenic Statement</b> | Not Applicable.                                                                                                                                                                                                                                                                                                                                             |
| <b>Latex Statement</b>         | This product is not made from natural rubber latex.                                                                                                                                                                                                                                                                                                         |
| <b>BPA Statement</b>           | Bisphenol are not used in the manufacture of the raw material and are not expected to be present.                                                                                                                                                                                                                                                           |
| <b>DEHP Statement</b>          | Not Applicable.                                                                                                                                                                                                                                                                                                                                             |
| <b>RoHS</b>                    | Not Applicable.                                                                                                                                                                                                                                                                                                                                             |
| <b>REACH Statement</b>         | Not Applicable.                                                                                                                                                                                                                                                                                                                                             |
| <b>Storage Conditions</b>      | Store in a dry place.                                                                                                                                                                                                                                                                                                                                       |
| <b>Shelf Life</b>              | 1.5 Years.                                                                                                                                                                                                                                                                                                                                                  |
