400 Series KAPAK® by ProAmpac

2.5 Mil high barrier, crystal clear, three side seal, heat sealable polyester pouches. Foil pouches also available. ProAmpac offers you the most durable premade three side seal pouches in the industry. Features include strong 3/8” seals and tear notches.

Pouches are microwaveable, boilable and freezable. High barrier leak proof pouches help eliminate cross contamination of dangerous substances.

Typical Applications

- Medical / Specimen Storage
- Industrial
- Food Preservation
- Veterinarian
- Health & Beauty
- Agriculture
