

Statement concerning BSE / TSE

Dear Sir or Madam,

Thank you for your enquiry for a statement concerning BSE (Bovine Spongiforme Encephalopathie) / TSE (Transmissible Spongiforme Encephalopathie).

The following can be confirmed:

- The raw materials are exclusively of complete chemical-synthetical respectively mineral origin.
- The raw materials are not derivated by isolating organic parts
- No additives or auxiliary materials of organic origin are used during production.

We kindly ask for your understanding that we cannot answer all questionnaires and requests individually with regards to their high number. Although we are convinced that our statement will answer your request, you can contact us if you have any other questions on this topic.

It is the final user's responsibility to check whether the intended use of our product is conform with applicable law.

We are at your disposal for any questions you may have
