DWK Life Sciences Limited hereby certifies with respect to the manufactured item described above (collectively, the "Product") that:

1. Product has been given appropriate visual, and/or mechanical and/or electronic inspection and the results of these inspections
indicate that the product meets all agreed upon contractual specifications at the time of its shipment.

2. **Glass:** We certify that the glass product will meet the following:
a) **TYPE I Borosilicate Glass** - Product meets the requirements for the glass grain test limits for Type I Glass when tested
3. **Plastic:** We certify that product made from resin material has been manufactured under controlled conditions and is in
compliance with all applicable procedures and specifications.

4. **Rubber:** We certify that product made from rubber has been manufactured under controlled conditions and is in compliance
with all applicable procedures and specifications.

5. **Aluminium:** We certify that product made from aluminium has been manufactured under controlled conditions and is in
compliance with all applicable procedures and specifications.

6. **Hazardous Materials**: DWK's Glassware does not fall within the scope of the RoHS directive, as our glassware products fall
into the exempt status for Medical Devices. Nonetheless, to the best of our knowledge we convey that our glassware does not
contain any of the restricted substances outlined by RoHS / WEEE or equivalent directive (e.g. OEHHA Proposition 65).

7. **REACH:** DWK is a manufacturer and supplier of "articles" to our EU customers; we do not manufacture or supply
"substances" or "preparations" and our scientific glassware does not involve the "intentional release of substances".
Accordingly, we foresee no registration or pre-registration requirement for the products we supply.

8. **Conflict Minerals:** To the best of our knowledge we convey that our scientific laboratory glassware does not intentionally
contain any of the conflict minerals (tin, tantalum, tungsten, or gold) as outlined in Section 1502 of the Dodd-Frank Wall street
Reform and Consumer Protection Act.
* Disclaimer: The information herein provided may be based and/or obtained from raw material supplier certificates or, testing
reports or, supplier Material Safety Data Sheets or similar.

Certificate of Conformity authorized by: **Date: 28 Mar 2022**

Kevin Marshall, Quality Manager – DWK Life Sciences Limited.
