|----------------------|-----------------------------------------------|
| Material             | 90240.9025                                    |
| Material description | Formaldehyde 35%                              |
| Grade                | TECHNICAL stabilized with 10-15 % of methanol |
| CAS Number           | 50-00-0                                       |
| Molecular formula    | HCHO                                          |
| Molecular mass       | 30.03                                         |

| Characteristics | Specifications |
|-----------------|----------------|
| Assay           | ≥ 34.5 %       |

## Signature

We certify that this batch conforms to the specifications listed above.

This document has been produced electronically and is valid without a signature.
