Dear Customer,

Per your request, below is the manufacturer statement on PFAS for the above catalogue number.

We hereby certify that we do not use any per- and polyfluoroalkyl substances (PFAS), e.g. perfluorooctane sulfonate (PFOS) and perfluorooctanoic acid (PFOA) in the compounding or production process of our examination gloves.

Disclaimer: VWR states that this declaration will not discharge the user from their obligation to ensure the product is suitable for the intended use. This product is intended for research use only. It is not for use in diagnostic procedures, therapeutic applications, or any human or clinical use.
This document has been produced electronically and is valid without a signature.
