

Biology

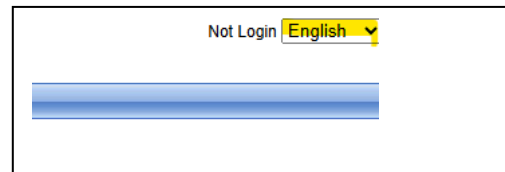

From the highest quality living and preserved specimens to the widest selection of media, microscope slides, and more, we have more options for your biology classroom than anywhere else.

Instructions for access to the Free Demo:

Visit the Website: VWR.MOTIC.COM

Note: some browsers default to a simplified Chinese text.
You can change this default in the upper right corner

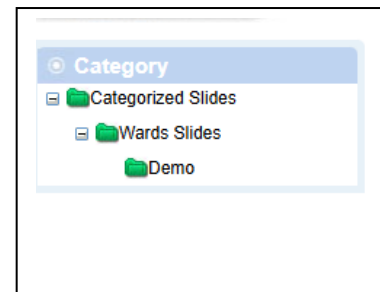

Enter the demonstration user name and password. The Password is case sensitive.

User Name: wardsdemo

Password: demo

On the left side of the screen expand the folder structure to see the demo set. Click on Demo

Double click on the sample slide to open it in a new tab.
