Silicone	30-011-01	0000211019
Elastomer	30-012-01	0000211020

Freudenberg Medical certifies that our silicone gaskets are manufactured following Good Manufacturing Practices (GMP) in accordance with the new Quality System Regulation (QSR) in a FDA registered medical device facility. Freudenberg Medical has been certified to meet ISO 13485 quality system. Material manufacturer states that these materials meet or exceed USP Class VI biocompatibility requirements and FDA Regulations CFR 177.2600 for contact with food and drugs. These platinum-cured silicone products have full traceability to raw materials and contain no peroxide catalysts.

Sincerely,

Saul Perez / Distribution Supervisor
