Clean Mate Sticky Pad

Rev.02

DESCRIPTION

Cleanmate Sticky pads are self-adhesive pads that can be used for note-taking inside cleanroom areas. Good for use for temporary note-taking and reminders. The pad does not leave adhesive residues from surface it has contact to.

FEATURES

- Removable, non-permanent adhesive leaving no residue behind
- Water-based adhesive, contains no organic solvent to address environment hazardous concern
- Ultra-clean with low particle and fiber generation
- Individually cleanroom packed
- Available in 3"x3" (76mm x 76mm) size and 80 sheets/pad
- Meets ROHS Directive 2011/65/EU

APPLICATIONS

- Note-taking
- Document annotation
