

Human Heart - 3 parts

KEYCARD

- | | |
|--------------------------|-------------------------------|
| 1. Right atrium | 13. Left pulmonary vein |
| 2. Left atrium | 14. Right pulmonary vein |
| 3. Right ventricle | 15. Inferior Venacava |
| 4. Left ventricle | 16. Pericardium |
| 5. Superior venacava | 17. Auriculo ventricle septum |
| 6. Right innominate vein | 18. Inter ventricular septum |
| 7. Left innominate vein | 19. Tricuspid valve |
| 8. Ascending Aorta | 20. Bicuspid valve |
| 9. Brachiocephalic trunk | 21. Chordeae tendineae |
| 10. Carotid artery | 22. Trabeculae carneae |
| 11. Subclavian artery | 23. Coronary artery |
| 12. Pulmonary artery | 24. Large coronary vein |
