

Human Heart - 2 parts

**KEYCARD**

- | | |
|---------------------------|------------------------------|
| 1. Right atrium | 12. Left ventricle |
| 2. Right ventricle | 13. Tricuspid valve |
| 3. Left atrium | 14. Bicuspid valve |
| 4. Superior venacava | 15. Aortic valve |
| 5. Inferior venacava | 16. Inter ventricular septum |
| 6. Cornus arteriosus | 17. Right coronary artery |
| 7. Aorta | 18. Coronary artery & vain |
| 8. Left pulmonary artery | 19. Circumflex artery & vein |
| 9. Right pulmonary artery | 20. Chordeae tendineae |
| 10. Left pulmonary vein | 21. Columneae carneae |
| 11. Right pulmonary vein | |
