## Quality System Compliance

This certificate confirms that the product has been sourced from a supplier or manufacturer who has declared their Quality Management System (QMS) complies with **ISO 9001:2015**.

## QC Testing

Representative products samples are collected and inspected in accordance with current applicable QC requirements.

## Product Specifications

|                         |                                                                                                             |
|-------------------------|-------------------------------------------------------------------------------------------------------------|
| <b>Material</b>         | Sheet Glass.                                                                                                |
| <b>Length</b>           | 75.70 ~ 76.00 mm                                                                                            |
| <b>Width</b>            | 25.00 ~ 25.30 mm                                                                                            |
| <b>Thickness</b>        | 1.00 (-0.05/+0.1) mm                                                                                        |
| <b>Refractive index</b> | 1.53 +/-0.02 of refractive index of the light at the green mercury e-line (wavelength=547.07nm) ISO 8037-2. |
