Instruction for Use

USER INSTRUCTION
113-1377

Step 1: Get one pair of shoe covers.

Step 2: Open the shoe covers to have the ESD strip outside the shoe covers.

Step 3: Put the shoe covers on your shoes one by one and keep the ESD strip outside.

Instruction for Use

Step 4: Put the ESD strip inside the socks to have body link to the ground.

Step 5: Finish the gowning.
