Other Characteristics :

- Pureimage is the most advanced line of paper and documentation available for the most demanding applications
- High tensile strength and excellent heat resistance for enhanced copier and printing efficiency
- PE-binding technology results in very low levels of particles, non volatile residue and ion extractables.
- Unique precision cutting technology guarantees consistent sizing and cleanliness.
- Paper is web-cleaned on both sides prior to sheeting.
- Ideal for laser and ink jet printers, photocopying and hand writing in a controlled environment.
- It is also bonded without organic fillers and completely recyclable.
