FACT SHEET

47B – MULTI PURPOSE TAPE

A vinyl tape for cleanroom maintenance, conformable for packaging and light industrial use. 47B is wound on a plastic core and available in several colors plus white and transparent. Single bagged, this vinyl tape is easy to handle offering excellent clean peel and re-seal properties.47B can be written on with cleanroom pen. Uses: Color coding and I.D; Ducting and sealing; Abrasion protection and aisle marking. Once applied to the substrate, the vinyl tape will hold up to steam sterilization – and so can be used for color coding and sealing autoclave wrap, bottles and vials.
Vinyl tape has excellent acid resistance for electroplating.
(Complies with Federal Specification PPP-T-66E and CID A-A 1689A; 'Tape, Packaging, Vinyl Plastic Film')

Average Physical Properties	**47B**
Backing:	White, pigmented and transparent vinyl film
Adhesive:	Rubber
Adhesion to steel:	18 oz./inch width
Tensile Strength:	13 lbs./inch width
Total thickness:	5 mils
Elongation at break:	150 %
Temperature Use Range:	Ambient
Abrasion Resistance:	Good
Chemical Resistance:	Excellent
Available colors:	Lt. Blue, Dk. Blue, Lt. Green, Dk Green, Orange, Red, Yellow, White and Transparent

***When applied to substrate 47B will hold up to steam sterilization with minimal adhesive transfer.*
