## Quality System Compliance

Products are manufactured under the **ISO 9001:2015 & 13485:2016** standard. Products are inspected and controlled through whole production processing in accordance with current applicable product specifications and QC SOP.

## QC Testing

Representative products samples are collected and inspected in accordance with current applicable QC requirements.

|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Material</b>               | <p>Polypropylene (PP).</p> <p>Resins are USP Class-VI certified, FDA regulation CFR 21, and are FDA approved for food contact.</p>                                                                         |
| <b>Sterilization</b>          | <p>Products are irradiated, and dose released upon ISO 11137 recommended practices in effect at the time of validation meet a minimum requirement of <math>10^{-6}</math>.</p>                             |
| <b>ATP Assay</b>              | Not applicable.                                                                                                                                                                                            |
| <b>DNase &amp; RNase Free</b> | <p>This product is free of any detectable DNase/RNase contamination. Test limit is <math>1.0 \times 10^{-6}</math> Kunitz Units for DNase &amp; <math>1.0 \times 10^{-9}</math> Kunitz Units for RNase</p> |

|                                |                                                                                                                                                                                                                                                                                                                                                                       |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>BSE/TSE</b>                 | No use of any raw material produced from or substances derived from animal origin. The manufacturing process of the product does not use any ingredient of animal origin and no material derived from or exposed to animals affected by or under quarantine for transmitting Animal Bovine Spongiform Encephalopathy/Spongiform Encephalopathy (BSE)/(TSE).           |
| <b>Cytotoxicity</b>            | Not applicable.                                                                                                                                                                                                                                                                                                                                                       |
| <b>Non-Pyrogenic Statement</b> | Endotoxin levels are tested by Limulus Amoebocyte Lysate (LAL) Assay. Product is free from Endotoxin. The acceptance level for product is ≤0.01 EU/mL (LAL Gel Clot Method).                                                                                                                                                                                          |
| <b>Latex Statement</b>         | This product is not made from natural rubber latex.                                                                                                                                                                                                                                                                                                                   |
| <b>BPA Statement</b>           | This product is free of Bisphenol A.                                                                                                                                                                                                                                                                                                                                  |
| <b>DEHP Statement</b>          | Please see RoHS information below.                                                                                                                                                                                                                                                                                                                                    |
| <b>RoHS</b>                    | No substances (Lead, Cadmium, Mercury, Hexavalent Chromium (Cr6+), Poly Brominated Biphenyls (PBB), Poly Brominated Diphenyl ethers (PBDE), Bis(2-Ethyhexyl) Phthalate (DEHP), Benzyl Butyl Phthalate (BBP), Dibutyl Phthalate (DBP), Diisobutyl Phthalate (DIBP)) are used in manufacturing the raw materials and final product. No routinely analysis is performed. |
| <b>REACH Statement</b>         | No substances as listed on >Substance of Very High Concern< candidate list are used in manufacturing of the raw materials used to produce this product. No routinely analysis is performed.                                                                                                                                                                           |
| <b>Storage Conditions</b>      | Room Temperature.                                                                                                                                                                                                                                                                                                                                                     |
| <b>Shelf Life</b>              | 3 years.                                                                                                                                                                                                                                                                                                                                                              |
