

# Certificate of Quality

|                                   |                                                                                                       |
|-----------------------------------|-------------------------------------------------------------------------------------------------------|
| <b>VWR Catalogue Number</b>       | 89187-988                                                                                             |
| <b>Description</b>                | VWR® Visitor Specs, Lens coating - Scratch-resistant/hardcoat, Frame color - Clear, Lens tint - Clear |
| <b>Country of Origin</b>          | Manufactured in Thailand                                                                              |
| <b>Date of Issue (yyyy-mm-dd)</b> | 2026-01-22                                                                                            |

## Quality System Compliance

This certificate confirms that the product has been sourced from a supplier or manufacturer who has declared their Quality Management System (QMS) complies with the **ISO9001, ISO45001 & ISO14001** standards.

## QC Testing

Representative products samples are collected and inspected in accordance with current applicable QC requirements - Optical performance and impact.

## Product Specifications

|                                |                             |
|--------------------------------|-----------------------------|
| <b>Material</b>                | Polycarbonate.              |
| <b>Sterilization</b>           | The product is non-sterile. |
| <b>ATP Assay</b>               | Not Applicable.             |
| <b>DNase &amp; RNase Free</b>  | Not Applicable.             |
| <b>BSE/TSE</b>                 | Not Applicable              |
| <b>Cytotoxicity</b>            | Not Applicable.             |
| <b>Non-Pyrogenic Statement</b> | Not Applicable.             |
| <b>Latex Statement</b>         | Not Applicable.             |
| <b>BPA Statement</b>           | Not Applicable.             |
| <b>DEHP Statement</b>          | Not Applicable.             |

|                           |                                                                                                                                                                                                                                                                                                                                               |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>RoHS</b>               | No substances (Lead, Cadmium, Mercury, Hexavalent Chromium (Cr <sup>6+</sup> ), Poly Brominated Biphenyls (PBB), Poly Brominated Diphenyl ethers (PBDE), Benzyl Butyl Phthalate (BBP), Dibutyl Phthalate (DBP), Diisobutyl Phthalate (DIBP)) are used in manufacturing the raw materials and final product. No routine analysis is performed. |
| <b>REACH Statement</b>    | No substances as listed on >Substance of Very High Concern< candidate list is used in manufacturing of the raw materials used to produce this product. No routine analysis is performed.                                                                                                                                                      |
| <b>Storage Conditions</b> | Store at room temperature and kept away from solvents, solvent vapors or any corrosive materials, as these may reduce the impact protection provided by the eyewear.                                                                                                                                                                          |
| <b>Shelf Life</b>         | 2 years.                                                                                                                                                                                                                                                                                                                                      |

Disclaimer: VWR'S Quality Management System (QMS) is ISO 9001:2015 certified as a wholesale distributor of finished products, ensuring effective oversight of finished product handling, traceability and distribution processes. VWR is not a manufacturer and does not engage in manufacturing, co- manufacturing, or processing activities such as design, packaging, labelling, testing, or quality release. Consequently, the supplier or manufacturer's QMS certification may differ from VWR's.

VWR states that this declaration will not discharge the user from their obligation to ensure the product is suitable for the intended use. This product is intended for research use only. It is not for use in diagnostic procedures, therapeutic applications, or any human or clinical use. This document has been produced electronically and is valid without a signature.
