

Custom Bumpers Protected by **DURASTRIPE**

Custom Bumpers made to fit your specific hazard profile. Outer surface protected by DuraStrip Supreme V, our most versatile stripping and signage material. Available in 11 colors including hazard stripping. Also available in custom full color print to communicate your custom message.

Colors may not match actual product color. Custom full color printing available.

C-Channel Ex.

BENEFITS

CUSTOM SHAPES: Individual designed to wrap around your particular safety hazard.

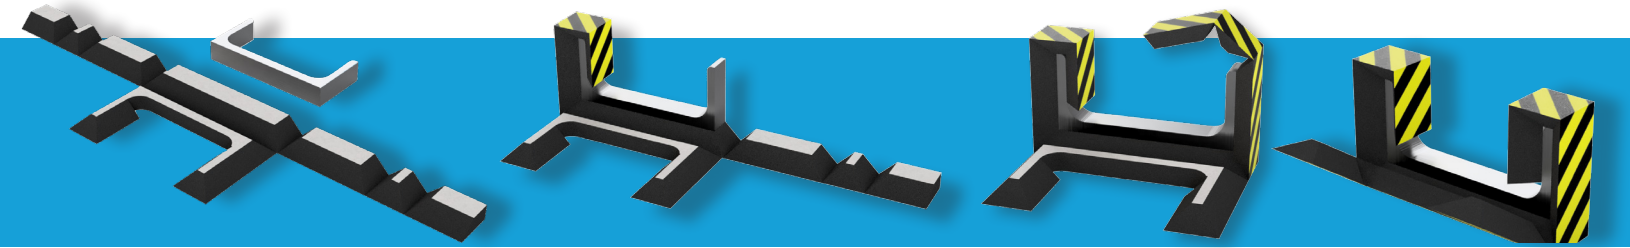

MORE COVERAGE: Custom bumpers are designed to wrap around all the surfaces of your safety hazard.

DURABLE: An outer layer of our Supreme V DuraStripe product keeps this bumper performing longer than the industry standard. Will not tear or puncture as easily as industry standard bumpers.

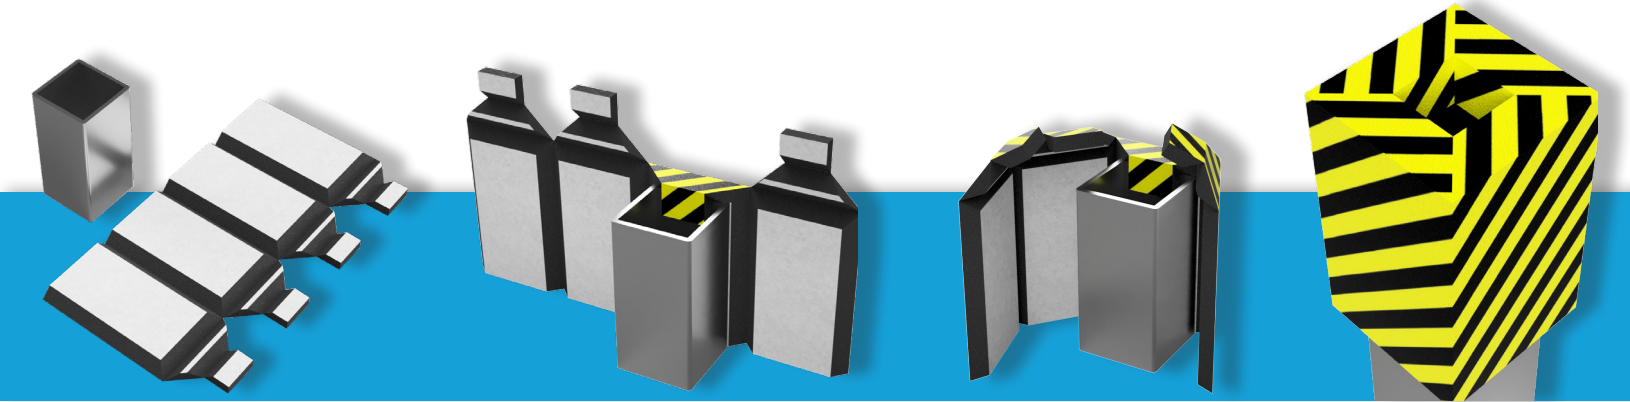

CUSTOM GRAPHICS: The outer layer of Supreme V DuraStripe can be printed in full custom graphics for wayfinding, asset location, hazard warnings or branding.

MULTIPLE THICKNESS OPTIONS: For personnel collision safety and vehicle collision safety.
