## Quality System Compliance

Products are manufactured under the **ISO 9001:2015 & ISO 13485:2016** standard. Products are inspected and controlled through whole production processing in accordance with current applicable product specifications and QC SOP.

## QC Testing

Representative products samples are collected and inspected in accordance with current applicable QC requirements.

## Product Specifications

The product is Class I category device as defined by FDA in 21CFR Parts 862-892.

|                          |                                                                                                                                                           |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Material</b>          | Plate – Polystyrene (PS) Compliance with USP Class VI.<br>Insert – Polystyrene (PS) Compliance with USP Class VI.<br>Insert Membrane – Polycarbonate (PC) |
| <b>Temperature range</b> | –20 to 50 °C.                                                                                                                                             |
| <b>Sterilization</b>     | Product labelled as sterile is gamma irradiated as per ISO 11137 and meets SAL 10 <sup>-6</sup> with a specified dose range of 12-24kGy.                  |

|                                |                                                                                                                                                                                                                                                                                                                                                                                             |

| <b>ATP Assay</b>               | Not Applicable.                                                                                                                                                                                                                                                                                                                                                                             |
| <b>DNase &amp; RNase Free</b>  | This product is free of any detectable DNase/RNase contamination.                                                                                                                                                                                                                                                                                                                           |
| <b>BSE/TSE</b>                 | No use of any raw material produced from or substances derived from animal origin. The manufacturing process of the product does not use any ingredient of animal origin and no material derived from or exposed to animals affected by or under quarantine for transmitting Animal Bovine Spongiform Encephalopathy/Spongiform Encephalopathy (BSE)/(TSE). according to EMEA 410/01 rev.3. |
| <b>Cytotoxicity</b>            | Testing is conducted to quality all material resins using ISO 10993 standards for cytotoxicity and have been shown to be non-toxic.                                                                                                                                                                                                                                                         |
| <b>Non-Pyrogenic Statement</b> | The acceptance level for product is 0.5 EU/mL or less than 20 EU/device (TAL Gel Clot Method).                                                                                                                                                                                                                                                                                              |
| <b>Latex Statement</b>         | This product is not made from natural rubber latex.                                                                                                                                                                                                                                                                                                                                         |
| <b>BPA Statement</b>           | Not Applicable.                                                                                                                                                                                                                                                                                                                                                                             |
| <b>DEHP Statement</b>          | Not Applicable.                                                                                                                                                                                                                                                                                                                                                                             |
| <b>RoHS</b>                    | No substances (Lead, Cadmium, Mercury, Hexavalent Chromium (Cr6+), Poly Brominated Biphenyls (PBB), Poly Brominated Diphenyl ethers (PBDE), Bis(2-Ethyhexyl) Phthalate (DEHP), Benzyl Butyl Phthalate (BBP), Dibutyl Phthalate (DBP), Diisobutyl Phthalate (DIBP)) are used in manufacturing the raw materials and final product. No routinely analysis is performed.                       |
| <b>REACH Statement</b>         | Not Applicable.                                                                                                                                                                                                                                                                                                                                                                             |
| <b>Storage Conditions</b>      | Room temperature.                                                                                                                                                                                                                                                                                                                                                                           |
