|------------------|----------------------------------------|
| 391-1258         | Optically clear                        |
| 391-1295         | Optically clear, for raised rim plates |

## Quality System Compliance

Products are inspected and controlled through whole production processing in accordance with current applicable product specifications and QC SOP.

## QC Testing

Representative products samples are collected and inspected in accordance with current applicable QC requirements.

## Product Specifications

|                                |                                                                                             |
|--------------------------------|---------------------------------------------------------------------------------------------|
| <b>Material</b>                | Polyester Film and Adhesive (Acrylic).                                                      |
| <b>Recommended Temperature</b> | -40 °C to 120 °C.                                                                           |
| <b>Sterilization</b>           | Non-Sterile.                                                                                |
| <b>ATP Assay</b>               | Not applicable.                                                                             |
| <b>DNase &amp; RNase Free</b>  | This product is free of any detectable DNase/RNase contamination.                           |
| <b>DNA Contamination</b>       | This product is free of detectable levels of Human/Mouse DNA contamination (PCR Certified). |

|                                |                                                                                                                                                                                                                                                                                                                                                                                   |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>BSE/TSE</b>                 | No use of any raw material produced from or substances derived from animal origin. The manufacturing process of the product does not use any ingredient of animal origin and no material derived from or exposed to animals affected by or under quarantine for transmitting Animal Bovine Spongiform Encephalopathy/Spongiform Encephalopathy (BSE)/(TSE).                       |
| <b>Cytotoxicity</b>            | Not applicable.                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Non-Pyrogenic Statement</b> | Not applicable.                                                                                                                                                                                                                                                                                                                                                                   |
| <b>Latex Statement</b>         | This product is not made from natural rubber latex.                                                                                                                                                                                                                                                                                                                               |
| <b>BPA Statement</b>           | Not applicable.                                                                                                                                                                                                                                                                                                                                                                   |
| <b>DEHP Statement</b>          | Not applicable.                                                                                                                                                                                                                                                                                                                                                                   |
| <b>RoHS</b>                    | No substances (Lead, Cadmium, Mercury, Hexavalent Chromium (Cr <sup>6+</sup> ), Poly Brominated Biphenyls (PBB), Poly Brominated Diphenyl ethers (PBDE), Bis(2-Ethyhexyl) Phthalate (DEHP), Benzyl Butyl Phthalate (BBP), Dibutyl Phthalate (DBP), Diisobutyl Phthalate (DIBP)) are used in manufacturing the raw materials and final product. No routinely analyse is performed. |
| <b>REACH Statement</b>         | No substances as listed on >Substance of Very High Concern< candidate list published 2021-07-08 are used in manufacturing of the raw materials used to produce this product. No routinely analyse is performed.                                                                                                                                                                   |
| <b>Storage Conditions</b>      | 21.1 °C ± 10°; 50% RH ± 10%                                                                                                                                                                                                                                                                                                                                                       |
| <b>Shelf Life</b>              | 3 years                                                                                                                                                                                                                                                                                                                                                                           |
