PURUS Mats

Overview

Purus Mats are the newest most advanced cleanroom mat to be introduced to the market. It is a multi-layered, adhesive coated mat that removes dirt and dust from foot traffic and wheels prior to their entry into a clean or controlled environment. Each numbered layer is fully coated with a "particle grabbing" adhesive. Once the layer is saturated, easy and quick removal of the layer reveals another clean surface.

Storage of product in excess of one year from date of purchase is not recommended, however, under normal storage conditions, 12-35C (54-95F), the product will not have any variation in performance for a period of up to three years.

Specifications:

Colors: White, Blue and Grey
Layers: 30 layers 4/case, 30 layers 8/case, 60 Layer 4/case
Mat Layers: LDPE Blend
Adhesive: 0.3 mil (8 micron) acrylic based**
Peel Adhesion: 6.7 oz. (190 g)/25mm. Individual layers (+/- 40)
