Tork Alcohol Gel Hand Sanitizer

420103

Description

Tork Alcohol Gel Hand Sanitizer with 80% (w/w) denatured alcohol, effectively kills microorganisms to help prevent the spread of infections. Effective against a variety of organisms, including all enveloped virus plus noro and rotavirus. Ideal for everyday hand hygiene including healthcare. Suitable for all Tork Skincare Dispensers (S1).

- Effective against a variety of problem organisms - conforms with EN1500, EN 12791 and EN14476 (All enveloped, such as: HIV, SARS, Corona, HBV, HCV, Influenza H1N1, H5N1 etc, and also Rotavirus and Norovirus)
- Dermatologically tested and non-sticky formula.
- Reduce time for cleaning staff: Certified effortless refilling [1] in less than 10 sec [2]
- Helps secure good hand hygiene: Factory-sealed bottle with a new pump for every refill helps reduce risk of contamination and protect the formulations all the way to the hands.
- Reduce waste: Bottle is collapsible, leading to 70% less waste volume [3]
- Use biocides safely. Always read the label and product information before use.
