Product Information:

**Absence of BSE_TSE in BRAND Tubing adapters, straight,
Art. No. 152505, 152510, 152605, 152615**

Dear Customer,

Thank you for your interest in BRAND products.

According to the current information provided by our material supplier we can inform you as follows:

“... Animal based materials and BSE/TSE

We certify that manufacturing this product, we do not use or intentionally add into it any additives of animal origin. We therefore state that our product is to be considered safe with respect to BSE and TSE transmissions. ...”

However, the absence of these substances has not been checked by us. This article is not sterile and has not been tested to any further regulatory extent.

We want to inform you that we cannot exclude that alternative material types will be utilized for production of this specific article in the future. It is not guaranteed that these materials feature equal properties.

We hope this information is helpful to you. Please feel free to contact us again in case of any queries.

Kind regards

BRAND GMBH + CO KG
