Product: 0.9% Sodium Chloride Injection, USP - 250 ML

Lot #:	Y454872	Sublot:	N/A	Code:	2B1322Q
Manufactured Date:	28-Jun-2024	Sterilization Date:	28-Jun-2024	Expiry Date:	12/2025
Parametric Release Status:	Pass	Released Date:	03-Jul-2024	Quantity Released:	N/A
Chemical Specification:	03-15-19-061	Chemical Spec Effective Date:	30-Dec-2021	Bacterial Endotoxin Spec:	Per Product Control Specification

Test	Limit	Result
Chloride as NaCl	8.55 - 9.45 g/L	9.03 g/L
Sodium Identification	Positive	Positive
pH	4.5 - 7.0	5.5
Particles >= 10 um	NMT 25 Particles/mL	4 Particles/mL
Particles >= 25 um	NMT 3 Particles/mL	0 Particles/mL
Bacterial Endotoxin Disposition	NMT 0.5 EU/mL	Pass

This is to certify that this product was manufactured according to current GMP and fulfills the requirements of the Master Product Document.

Product Sterility is verified using parametric release.
