VWR® PHP Pipette
Precise High Performance

All pipettes carry three years warranty from the date of purchase, against defects in material and workmanship. We will repair or replace the defective product upon prompt notification in compliance with the conditions listed below

The warranty against defects in workmanship or materials will be accepted as long as the product has been used in compliance with the instructions for care and use. The warranty will be considered void if pipette is exposed to physical or chemical abuse. Routine cleaning and recalibration are not covered under the terms of the warranty.

This warranty is subject to the following conditions:

- The customer must notify its authorized distributor in writing immediately after sighting of the defect.
- The product must be returned to its authorized distributor upon request. The complete cost of forwarding in such cases including transportation, applicable Government taxes, insurance is to be borne by the customer
- Our responsibility extends only to product defects. The warranty does not apply if, in opinion of the product has been damaged by accident, misuse, chemical or physical corrosion and/or by service or modification by someone other than an authorized service provider.
