

HUMAN KIDNEY L.S.

3 times enlarged

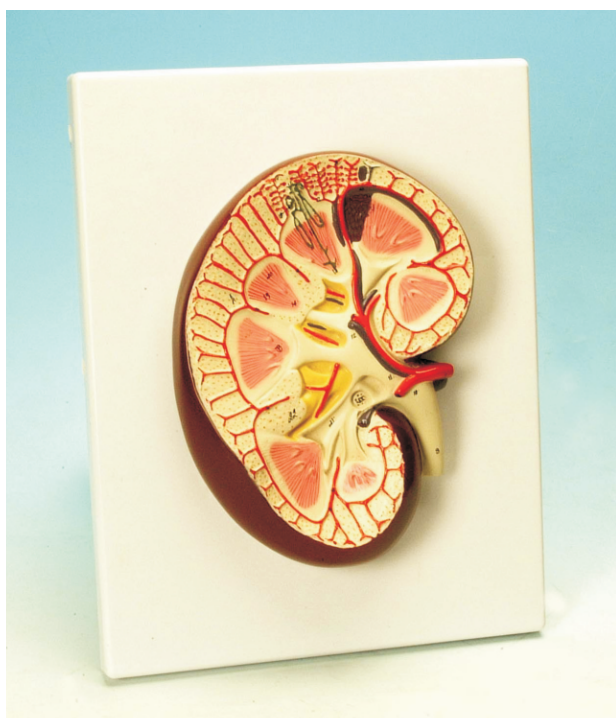

KEYCARD

- | | |
|--|---------------------------------------|
| A Cortex of the Kidney | 9. Renal duct |
| B Medulary substance | 10. Pelvis of ureter |
| 1. Renal vein | 11. Large renal calix |
| 2. Renal artery | 12. Papillary foramina |
| 3. Vein arciform of the kidney | 13. Renal papilla |
| 4. Artery arciform of the kidney | 14. Papillary duct |
| 5. Capillary bed | 15. Curvature part of urinary tubules |
| 6. Veins interlobular of the kidney | 16. Henle's loop |
| 7. Arteries interlobular of the kidney | 17. Curvature part of urinary tubules |
| 8. Afferent vessel | 18. Renal corpuscles |
| | 19. Renal pyramid |
| | 20. Small renal calices |
| | 21. Renal columns |
