

Materials Included in this Kit:

Biology

From the highest quality living and preserved specimens to the widest selection of media, microscope slides, and more, we have more options for your biology classroom than anywhere else.

Drawer 1:

- SimRx Atropine Pre-Filled Syringes
- SimRx Epinephrine Pre-Filled Syringes
- SimRx Adenosine 6 mg Pre-Filled Syringes
- SimRx Adenosine 12 mg Pre-Filled Syringes
- SimRx Sodium Bicarbonate 8.4% Pre-Filled Syringes
- SimRx 50% Dextrose Pre-Filled Syringes
- SimRx Lidocaine HCl 2% Pre-Filled Syringes
- SimRx Calcium Chloride 10% Pre-Filled Syringes
- SimRx Lidocaine HCl 2% Pre-Filled Syringes
- SimRx Naloxone Pre-Filled Syringes
- SimRx Saline Flush Pre-Filled Syringes
- Simulated Norepinephrine Vials
- Simulated Vasopressin Vials
- Simulated Amiodarone Vials
- Alcohol Prep Pads
- M.A.D. Intranasal Atomizer
- Epinephrine Auto-Injector Trainer

Drawer 2:

- Oral Airways – 80 mm, 90 mm, 100 mm
- Nasopharyngeal Airways: 26 Fr, 30 Fr
- Disposable Laryngoscope Handle

- Disposable Laryngoscope Blade – Miller #3
- Disposable Laryngoscope Blade – Macintosh #4
- Cuffed Endotracheal Tubes – 6.0, 7.0, 8.0, 9.0
- Intubation Stylet – 14 Fr
- Lubricating Jelly Packets
- Tongue Depressors
- Ambu ET Tube Holder – Blue Silicone Ratchet Strap
- Colorimetric EtCO₂ Indicator
- Penlight with Pupil Gauge
- 10 mL Luer Lock Syringe

Drawer 3:

- Alcohol Prep Pads
- IV Start Kits with Chloraprep
- Transparent 1" Adhesive Tape Rolls
- Sterile Clave-Type Connectors
- Extension IV Tubing Sets
- Disposable Adult IV Armboard
- 3-Way Stopcocks
- Non-latex Tourniquets
- Safety Angiocatheters – 14G, 16G, 18G, 20G
- Syringes with Blunt Tip Cannulas – 5 mL
- Syringes with Blunt Tip Cannulas – 3 mL

Drawer 4:

- Primary Gravity IV Tubing Sets
- Secondary IV Tubing Sets
- SimRx Simulated D5W IV Bags
- SimRx Simulated 0.9% NS IV Bags

Drawer 5:

- Adult BVM Resuscitator
- Yankauer Suction with Tubing
- Emergency Cricothyrotomy Kit
- Box of Nitrile Gloves
