Largo, Florida 33773 USA

Certificate of Conformance

Part Number/ Revision:	SA38MM-1L-2F Revision: 3	Customer Part Number/ Revision:	N/A Revision: N/A
Description:	38mm EZ-Top Assy, 25mm .2um Fltr, Plug, STERILE		
Lot Number:	33018313	Lot Quantity:	50
Date of Manufacture: (DD-MMM-YYYY)	12-Dec-2024	Expiration Date: (DD-MMM-YYYY)	12-Dec-2027
Post Processing Number: (Refer to the attached Certificate of Processing for Additional Detail)		3677298	

We certify the material listed above conforms in full with the following specifications:

All items have been manufactured, inspected, tested, and accepted in accordance with our Quality Management System certified to ISO 13485. Documentation substantiating this certification is kept on record per the Company's retention policy and is available for review.
All materials and processes used in manufacturing conform to the materials and/or manufacturing specifications and notes indicated on the (as applicable) purchase order, drawing, specifications, quality assurance requirements, C-Flex® Regulatory Information Overview (RIO), Technical Dossier, or other applicable approved documents effective on the date of manufacture. C-Flex meets the requirements of the USP, Biological Test for Plastics, Class VI.
Saint-Gobain does not warrant the product for any particular application and it is the responsibility of the user to conduct tests that are deemed necessary to determine the suitability of the product for any particular use. Saint-Gobain's sole responsibility shall be for failure to manufacture the product in accordance with specifications and requirements of the buyer, and from defects in material and workmanship. This warranty is expressly made in lieu of any and all other warranties and Saint-Gobain's sole liability shall be to replace any product not in conformance with the specification and requirements of the buyer.
