Description TUBING MFLEX PHARMED #14 25'

Compound: PharmMed® BPT

Specification: PharmMed® BPT

Cole-Parmer certifies that, according to the manufacturer, the product described meets the specifications set forth in this certificate, subject to the disclaimers set forth herein.

Registered with a Drug Master File with the FDA

Meets USP Class VI requirements.

These products have been manufactured in an ISO-9001 registered facility.

A lot control system is used to assure traceability to all raw materials.

These products have been tested and certified to meet the requirements of the European Pharmacopoeia (EP) Monograph: Silicone Elastomer for Closures and Tubing.

An independent biological laboratory performed U.S. Pharmacopeia Class VI (USP 87 & 88) Toxicity Tests, Pyrogens, Heavy Metals (Identified as Lead), Tissue Culture, and Hemolysis tests on the proprietary compound and have passed according to the protocols

It is the responsibility of the user to conduct tests that are deemed necessary to determine the suitability of this product for any particular use.

Cole-Parmer certifies that, according to the most recent information provided by the manufacturer, the product described meets the specifications set forth in this certificate, subject to the disclaimers set forth herein.

This certification applies only to the condition of the above-described product in the unopened package. Cole-Parmer cannot and does not assume any responsibility for any failure of the product to meet this Certificate of Compliance that results from any handling or use subsequent to opening the package.

Cole-Parmer expressly warrants that the product listed above conforms only to the specifications herein, subject to the disclaimers listed above, if any. Except as otherwise set forth in writing by Cole-Parmer, there are no other warranties, express or implied, including without limitation warranties of marketability or fitness for a particular purpose, use or application, that apply to this certificate or the subject product. It is the responsibility of the user to determine the suitability of the subject product for any particular use or application.
