

**We protect your purchase
and the environment.**

This unique Safety-Pak™ recyclable package was designed and created to protect you, the product and the environment from breakage during shipping or mishandling. Unlike alternatives, this package can be recycled. It is another one of the ways we at H-B Instrument are working to protect our environment. Your comments are welcome.

Please reuse or recycle the box too!

Enviro-Safe® and Easy-Read® Thermometer brands are EnviroKleen™ certified through ChemTel (www.Enviro-Kleen.org).

Enviro-Safe® and Easy-Read® Thermometers are the market leaders in environmentally friendly thermometers. They are the first thermometers to achieve independent certification as 100% non-toxic, non-hazardous, biodegradable, and "green". Even the packaging is EnviroKleen certified.

Disposal Considerations: Biodegradable

RCRA Classifications: This product has been evaluated for RCRA characteristics and does not meet the criteria for a hazardous waste, if discarded in its purchased form.

Special Instructions: No special requirements. Dispose of your thermometers responsibly in accordance with local, state, and federal regulations.
