

Mail Slots specifications

Mail Slot Dimensions:

Multiple Widths: 24", 35-5/8", or 47-1/4"
Depth: 14"
Height: 36" or 48"

Base Cabinet Dimensions:

Multiple Widths: 24", 35-5/8", or 47-1/4"
Depth: 23"
Height: 23"

Structure:

Unit case is constructed using 3/4" thick particle board with either thermofused laminate or high pressure laminate on both sides. Shelves are 3/4" thick particle board with either thermofused laminate or high pressure laminate. Edges are finished using 3mm PVC. Opening size will vary depending on the amount of shelves and size of the unit. A 36" tall unit comes with 7 shelves per column opening to make 8 openings. A 48" tall unit comes with 10 shelves per column opening to make 11 openings.

Assembly:

Each unit is factory assembled using dowel construction. Mail storage and base cabinets can be purchased separately.
