

BSE / TSE Statement

VWR* GLOVES

This document certifies that the above product meet the following criteria:

North American Catalog N°:	40101-226
Description:	VWR GLOVES NTRL CL100 L PK100

The above product is not manufactured using any animal derived materials. However, please be aware that trace levels of animal-derived ingredients may potentially be present in some process chemicals, even when these process chemicals are not animal-derived. Manufacturer ensures that products with a potential to contain trace levels of animal-derived ingredients are not associated with a risk of Bovine Spongiform Encephalopathy (BSE) or Transmissible Spongiform Encephalopathy (TSE) by requiring that vendors comply with all National, Federal and European Guidelines regarding the safe usage of animal-derived materials.

Signed:

A handwritten signature in blue ink, appearing to read 'Ken Crossley', written in a cursive style.
