

Certificate of Quality

Part Number	MFLX96155-02
Lot Number	D002M3G3A1
Part Description	TUBING FLEXELENE 1/8X1/4 100'
Country of Origin	USA

Inspection & Testing

- It is the responsibility of the user to conduct tests that are deemed necessary to determine the suitability of this product for any particular use.

Product Specifications & Compliance

- Compound: Flexible polyethylene
- All ingredients used in these products are approved under the FDA Code of Federal Regulations 21, subchapter B, Part 177.2600 - Rubber Articles intended for repeated use in contact with food (Food-Grade).
- The tubing itself has not been tested for approval by the FDA or any other testing body. Meets USP Class VI requirements.
- This product has been manufactured in accordance with Good Manufacturing Practices.
- These products have been manufactured in an ISO-9001-registered facility.
- A lot control system is used to assure traceability to all raw materials.
- The above product was manufactured with virgin materials.
- An independent biological laboratory performed United States Pharmacopeia Class VI Toxicity Tests, Pyrogens, Heavy Metals (Identified as Lead), Tissue Culture, and Hemolysis Tests on the proprietary compound and have passed according to protocol.

Storage

- Storage in original packaging, at ambient conditions and away from direct sunlight, is recommended.

Certificate Approval

- This certificate was issued and approved by the Avantor Fluid Handling Quality and Regulatory Departments and is valid without signature.
