

Certificate of Quality

Part Number	MFLX06433-05
Lot Number	29301632
Part Description	TUB C-FLEX BRAID 3/8"ID 25/RL
Country of Origin	USA

Inspection & Testing

- It is the responsibility of the user to conduct tests that are deemed necessary to determine the suitability of this product for any particular use.

Product Specifications & Compliance

- C-Flex meets the requirements of the current USP, Biological Test for Plastics, Class VI.
- C-Flex does not contain any substances from the Substance of Very High Concern (SVHC) candidate list (Total 211 substances) in concentration above 0.1% weight by weight (w/w).
- Conflict minerals, as defined by the Dodd-Frank Act, are not used in the manufacture of this product.
- TSE/BSE - Based on information provided by our suppliers, bovine or other animal derived content materials are not used in the raw materials used to manufacture C-Flex as defined in specification EMA/410/01 rev.3.
- Saint-Gobain (the manufacturer) does not intentionally use, or add, any substances or materials with animal content in the manufacture process that come in contact with C-Flex.
- It is the responsibility of the user to conduct tests that are deemed necessary to determine the suitability of this product for any particular use.
- This product is not approved or intended for, and should not be used for medical, clinical, surgical or other patient oriented applications.

Storage

- Storage in original packaging, at ambient conditions and away from direct sunlight, is recommended.

Certificate Approval

- This certificate was issued and approved by the Avantor Fluid Handling Quality and Regulatory Departments and is valid without signature.
