

CART FEATURES

When your cart arrives, it will come pre-assembled with a pallet worth of components and extra supplies (way more than what can fit in the cart). Just screw on a few pieces, hang the side bins and tools, fill bins with components, and you are ready to go.

DRY ERASE

Each Maker Space Sign is dry erase and can be colored and re-colored (package of dry-erase crayons included).

Fun idea: color your sign school or holiday colors throughout the year!

TEACHERGEEK TOOLS

Tinkering and building countless Maker/STEM/STEAM projects comes easy with at your fingertips TeacherGeek tools on the Maker Cart. These high-quality tools will stand up to the wear and tear of everyday use and allows groups of 3-4 to create their greatest inventions.
