

VWR Chemicals LLC
28600 Fountain Parkway
Solon, Oh 44139
t 800 448 4442

August 23, 2018

Product Code: 0781
Product Description: Potassium Phosphate Monobasic Anhydrous
RE: BSE/TSE Free

To whom it may concern:

The purpose of this document is to provide you with information regarding Potassium Phosphate Monobasic Anhydrous.

Potassium Phosphate Monobasic Anhydrous is manufactured via Chemical Synthesis. There are no products or by products of animal origin used in the manufacture of Tris, therefore there is little to no risk of BSE/TSE.

The above statements are general to the product and may change at any time without notification, unless an established notification of change agreement exists between VWR Chemicals LLC and the customer.

I trust this document is sufficient for your quality records. Should you need any clarification or have any further questions, please contact technical services at techinquiry@amresco-inc.com.

Best Regards,

A handwritten signature in purple ink that reads "Abigail Korec".
