

VWR[®] PREFILLED 10% FORMALIN CONTAINERS

10% Formalin Fixative For Tissue Fixation

95 kPa Certified Containers

Custom Labeling Available!

VWR North American Cat. No. 16004-112

servation, fixation, and transport of tissue specimens NG! For In Vitro Diagnostic Use. For Laboratory Use Only.

Room Temperature

610.386.1700 Made in USA

VWR[®] Prefilled Formalin Containers are half-filled with 10% neutral buffered formalin, for the collection and transport of tissue samples. Each container is made of high clarity virgin polypropylene and includes a polyethylene screw cap. Caps feature dual thread closures and a leak-resistant seal to protect specimens. All containers sized 20 mL through 120 mL are 95kPa compliant. Containers sized 20 mL through 120 mL are packaged in transport packs with handles. This packaging design allows for easy distribution to other labs and doctors' offices. The inner packaging is made of chipboard material, and is safe for operating room use.

Small-sized prefilled formalin containers (20 mL and 40 mL) feature a click-top closure. The first click assures users the seal is fully engaged. The second click ensures 95kPa compliance. This click-top design prevents leaking formalin containers and ensures safe specimen transport. Our 480 mL and 1000 mL containers feature heat seals to prevent leaking during transportation.

VWR[®] Bulk 10% Formalin is available in gallon containers as well as 2.5 and 5 gallon Cubitainer[®]. Each cubitainer includes a spigot to allow easy filling of empty containers in the laboratory.

Features and Benefits:

- Each lot tested for formaldehyde concentration to ensure optimal fixation
- Manufactured in an ISO 13485 certified facility
- 20 mL and 40 mL sizes feature a click-top closure
- 20 mL through 120 mL sizes are 95 kPa compliant
- 20 mL through 120 mL sizes packaged in transport packs
- 480 mL and 1000 mL safety sealed lids to prevent leakage
- Strict process controls and lot tracking for full traceability

Size	Packaging	VWR Cat. No.
VWR Prefilled Formalin		
20 mL half filled	128/case	16004-112
40 mL half filled	48/case	16004-115
60 mL half filled	54/case	16004-117
90 mL half filled	48/case	16004-119
120 mL half filled	48/case	16004-121
180 mL half filled	50/case	16004-122
240 mL half filled	24/case	16008-000
480 mL half filled	24/case	16004-124
1000 mL half filled	12/case	16004-130
VWR Bulk Formalin		
1 gallon	4 x 1 gallon/case	89370-094
2.5 gallon cube	Each	16004-126
5 gallon cube	Each	16004-128
