

## BSE / TSE Statement

---

### VWR\* COVERALL

---

This document certifies that the below product meets the following criteria:

<b>North American Catalog No:</b>	89012-824
<b>Description:</b>	VWR COVERALL TYVEK ELAS MD C25

The Tyvek® fabric used to make the above-listed Tyvek® products may contain up to 500 ppm of tallow derived substances. Processing conditions of the raw materials used in manufacturing the Tyvek® fabric, as well as the Tyvek® fabric manufacturing process, exceed the recommended conditions by European directive 2000/6/EC for protection against TSE (Transmissible Spongiform Encephalopathy)/BSE (Bovine Spongiform Encephalopathy). As such, to the best of the Manufacturer knowledge, the above-listed Tyvek® product as manufactured do not contain substances having the risks of transmitting TSE/BSE.

Signed:

A handwritten signature in blue ink, appearing to read "Ken Crossley", with a stylized flourish at the end.

Ken Crossley
