

**Buy an OHAUS Semi-Micro or Analytical Lab Balance,
Get a Free Troemner Class 1 Certified Weight**

Advance Your Lab Precision with OHAUS

Purchase any OHAUS semi-micro or analytical balance from an authorized dealer and receive a complimentary Troemner ASTM Class 1 Span Calibration Weight with an ISO/IEC 17025 Accredited Certificate. This high-precision weight is essential for calibrating your balance, ensuring accurate and reliable measurements.

How to Redeem:

- 1. Purchase:** Buy an eligible OHAUS balance.
- 2. Redeem:** Visit www.OHAUS.com/Free-Calibration-Weight and complete the redemption form.
- 3. Upload:** Upload your proof of purchase (invoice or receipt).
- 4. Indicate:** Include the name of the certificate holder on the redemption form and provide promotion code C-00119480.
