Plain Back	9 x 6 x 3¼	11376-414	Each
Plain Back	9 x 6 x 5½	11376-416	Each

## Protective Eyewear Recycling Box, TerraCycle®

Reduce landfill waste and support sustainability goals with the mixed protective eyewear recycling box.

This easy-to-use recycling program provides a complete waste collection, shipment, and recycling solution for used protective eyewear. All brands of safety glasses and goggles are accepted, including glasses and goggles with rubber, nylon, and other types of materials. The plastic waste is ground, melted, and pelletized through extrusion by TerraCycle® to create recycled resin. That resin is then combined with other recycled plastics to make eco-friendly products. TerraCycle® will process all safety glasses and goggles that are received.

Each box holds up to 816 pieces and comes with a pre-paid shipping label.

Description	Dimensions, W x L x H, in.	Cat. No.	Unit
Safety Glasses and Goggles Recycling Box	15 x 15 x 42	10820-600	Each
