

DISPOSABLE GLOVE

RECYCLING BOX

- Reduce Landfill Waste
- Support Your Company's Sustainability Goals

DISPOSABLE GLOVE - ZERO WASTE BOX™

TerraCycle's Recycling Boxes make it easy for businesses to recycle hard-to-recycle items, like disposable gloves. Each recycling box is affixed with a pre-paid shipping label, making it easy to send your disposable gloves back to TerraCycle for recycling.

All brands of disposable vinyl, nitrile, and latex gloves are accepted. Once full, securely seal the top of the recycling box with packing tape and place in your designated shipping area. When TerraCycle receives your box, the plastic is ground, melted, and pelletized through extrusion in order to create recycled resin. The resin is then combined with other recycled plastics to make eco-friendly products.

Please only include disposable gloves. We do not accept items classified as: sharp, flammable, reactive, corrosive, ignitable, radioactive, toxic, infectious, or pathogenic.

DESCRIPTION	CAT. NO.
Medium Disposable Glove Box - Dimensions: 11" x 11" x 40"	75993-594
Large Disposable Glove Box- Dimensions: 15" x 15" x 37"	75993-592
