Certificate of Conformance

Product : SG3-2238
Product Description : SURGUARD3 22GX1 1/2 SAFETY NEEDLE
Batch : 220913D
Expiration Date : 2027-08-31
Certificate Date : 2023-10-18

All Terumo products are manufactured in accordance with established product specifications and in accordance with the US Food, Drug, and Cosmetic Act, Chapter 21, Part 820, pertaining to: Quality System Regulations (Current Good Manufacturing Practices for Medical Devices).

All incoming raw material meets specified requirements for material type, grade, and physical/chemical properties. Quality testing and review is performed on all raw materials in order to provide production areas with the caliber of materials necessary to manufacture finished product devices that meet specifications. The above-mentioned products are manufactured without animal additives or by-products.

The visual and physical controls are checked in accordance with Terumo Specifications based on EN/ISO standards. Quality testing and document review is performed prior to release to assure product performance to specifications.

Test	Pass/Fail
Visual Inspection	Pass
Physical Performance	Pass

Product Batch(es) listed above are certified to be sterile and non-pyrogenic.

Sincerely,

Tim Frick

Quality Manager
