

BSE / TSE Statement

VWR* BOOT COVER

This document certifies that the below product meets the following criteria:

North American Catalog No:	89013-156
Description:	VWR SIGNATURE BOOT COVER WT LARGE CS100

The Tyvek® fabric used to make the above-listed Tyvek® products may contain up to 500 ppm of tallow derived substances. Processing conditions of the raw materials used in manufacturing the Tyvek® fabric, as well as the Tyvek® fabric manufacturing process, exceed the recommended conditions by European directive 2000/6/EC for protection against TSE (Transmissible Spongiform Encephalopathy)/BSE (Bovine Spongiform Encephalopathy). As such, to the best of the manufacturer knowledge, the above-listed Tyvek® products as manufactured do not contain substances having the risks of transmitting TSE/BSE.

Signed:

A handwritten signature in blue ink, appearing to read "Ken Crossley", with a stylized flourish at the end.

Ken Crossley
