

New Lab/Biotech Discount

Starting a new lab – research or a biotech startup?
Let NEB® and VWR help you get what you need!

Take advantage of our one-time **40% discount*** to stock up on all of the high-quality reagents to get your lab started, including:

- Products for your entire cloning workflow
- Restriction enzymes
- Polymerases
- Ligases
- DNA ladders
- Competent cells
- dNTPs
- and much more

New England Biolabs and VWR offer this one-time **40% discount** to Principal Investors who are starting up a new laboratory. The New Lab/Biotech discount applies to nearly all products carrying the NEB label (other discounts or special offers do not apply). The New Lab discount is available in the US only for end-users, and only one offer is available per Principal Investor.

Contact your VWR Representative or Life Science Specialist for your personalized quote.

* No minimum purchase is required to be eligible for the new lab discount. Limit one offer per commercial organization. \$5000 (at discounted prices) maximum order. No other discounts apply. Note that normal shipping charges apply. See reverse side for the list of products that are not eligible.
