Product Code: E801  
Product Description: L-Methionine  
RE: BSE/TSE Free

To whom it may concern:

The purpose of this document is to provide you with information regarding Tris and BSE/TSE free, AMRESCO code E801.

L-Methionine is manufactured via Chemical Synthesis. There are no products or by products of animal origin used in the manufacture of Tris, therefore there is little to no risk of BSE/TSE.

The above statements are general to the product and may change at any time without notification, unless an established notification of change agreement exists between AMRESCO and the customer.

I trust this document is sufficient for your quality records. Should you need any clarification or have any further questions, please contact technical services at [techinquiry@amresco-inc.com](mailto:techinquiry@amresco-inc.com).

Best Regards,

Abigail Korec
