

## BSE / TSE Statement

---

### VWR\* GLOVES

---

This document certifies that the above product meets the following criteria:

<b>North American Catalog No:</b>	40101-350
<b>Description:</b>	VWR GLOVE NITRILE PF XL PK100

The above product is not manufactured using any animal derived materials. However, please be aware that trace levels of animal-derived ingredients may potentially be present in some process chemicals, even when these process chemicals are not animal-derived. Manufacturer ensures that products with a potential to contain trace levels of animal-derived ingredients are not associated with a risk of Bovine Spongiform Encephalopathy (BSE) or Transmissible Spongiform Encephalopathy (TSE) by requiring that vendors comply with all National, Federal and European Guidelines regarding the safe usage of animal-derived materials.

Signed:

A handwritten signature in blue ink, appearing to read "Ken Crossley", with a stylized flourish at the end.
